

Linking Belt and Road, Bonding Art and Heart
**The First “Belt and Road” Sino-Polish University Consortium Art &
Design Competition 2018**

In March 2017, the “Belt and Road” Sino-Polish University Consortium (SPUC) was created by twenty-seven universities from Beijing, Tianjin, Chongqing, and Poland. It was founded on the principle of commitment to higher education, as well as a joint effort to build the platform for all-around exchange and cooperation. Focus is also placed on developing channels for resource aggregation and utilization between China and Poland. In 2018, SPUC decides to hold the first SPUC Art & Design Competition with the support of the art disciplines of the partner universities. The aim is to promote talent cultivation, academic exchanges, scientific cooperation, and collaborative innovation.
